Draw lines.*

I help sick people. I bring them medicine when they are in hospital.

I have friends in England, Italy, Spain and Germany. I wear a uniform. I fly planes.

I work with animals. Every day I feed my cows, my pigs and my hens. I sell the eggs at a market.

I work with people. They come to me when their hair is too long. I wash their hair and cut it. I give them a new hairstyle.
