**TAPE SCRIPT****Announcer: Number one: Alison**

Interviewer: What are your food likes and dislikes, Alison?

Alison: Well, I like most things really, except I don't like fish, and I don't eat a lot of meat. I like any kind of pasta, you know, spaghetti, macaroni and all that sort of thing, and I love pizzas.

Interviewer: What about fruit and vegetables?

Alison: Yeah, I eat loads of fruit. I like almost any kind of fruit. I usually take an apple, a banana and an orange to school for lunch 'cause I can't stand the school lunches.

Interviewer: And vegetables?

Alison: Yeah, I like most vegetables really, especially salads, I eat lots of salads. My mother and I often have just a salad in the evening. My problem is that I put on weight very easily, and salads are good if you don't want to put on weight!

Announcer: Number two: Joe

Interviewer: What are your food likes and dislikes, Joe?

Joe: Well, I don't like meals without meat. I love steaks, chops, hamburgers.

Interviewer: Any kind of meat?

Joe: Yeah, beef, lamb, pork, chicken, you name it.

Interviewer: What about fish?

Joe: Yeah, I quite like fish. Not too often, but I enjoy it now and then.

Interviewer: And what about vegetables, fruit and so on?

Joe: Erm, vegetables are OK, as long as there's some meat, but I don't very often eat fruit. I like strawberries with loads of cream, but I never eat apples, or pears, or bananas.

Interviewer: What about salads?

Joe: No, I hate salads. I mean, basically I like hot food, not cold food.

Announcer: Number three: Heather

Interviewer: And what about you, Heather, what kind of foods do you like?

Heather: Well, I've got a very sweet tooth. I love cakes, chocolate and ice cream.

Interviewer: So you eat lots of sweet stuff?

Heather: I do sometimes, but I have to be careful because it's not good for my skin.

Interviewer: What about vegetables and fruit?

Heather: Yeah, vegetables are OK. I eat quite a lot of fruit. I usually have an apple and a banana with some yoghurt for breakfast.

Interviewer: What about meat? Do you eat a lot of meat?

Heather: No, not really. I quite like chicken and turkey, but I don't like red meats like pork and beef.
