TEENAGERS OF TODAY

Read the article „Teenagers of today“ that is from a parents' magazine.

You can find the underlined words at the bottom of the page.

Then write a **letter to the editor**¹.

First of all, teenagers today are extremely egoistic. All they are concerned with² is their own world. Today's teenagers don't want to spend time with their parents anymore. And although teenagers nowadays get everything they want from their parents, they have no respect for them. Secondly, because of their selfishness³, teenagers today don't care about their fellow citizens⁴. For example, when they are in a bus and an elderly⁵ lady gets on the bus, teenagers of today don't stand up to offer their seat to the lady. Thirdly, teenagers today have no plans for their future. They don't even think about the future. All they care about is partying and having fun. Last but not least, the way teenagers of today look is terrible. The girls wear those awful belly shirts⁶ and very short mini-skirts and the boys wear those ugly baggy trousers⁷. Besides, we mustn't forget about all their piercings and tattoos.

Write about:

- What you think about ...
- How you feel about the article

You can **give your opinion**⁸ to as many points of the article as you want.
