TAPE SCRIPT

When I was a boy we usually went on holiday to Wales or Cornwall. I loved the seaside, especially the sandy beaches. I used to spend hours building huge sandcastles. Then I would dig a moat and decorate the castle with shells and seaweed. I even swam in the sea, although it was pretty cold most of the time!

The sea can be dangerous though. I remember once, I was climbing on some rocks when the tide started to come in. Soon I was nearly surrounded by water. Luckily I was just able to get back to the beach. I was nearly trapped.

Sometimes I found interesting things in the sand. I once found a giant bone. I was sure it was a dinosaur bone and wanted to keep it. My parents made me throw it away though.

What I liked most on holiday were the souvenir shops. They always seemed full of interesting and exciting things. My parents always gave me quite a lot of holiday money so I could buy myself some toys and comics. I also ate quite a lot of sweets. It was almost like having a birthday!

I still like to go to the seaside. But now I'm happy to relax on the beach and listen to the sound of the waves.
