INTERLOCUTOR:

Hand out prompt card to student and explain the task.

🗨️ **[NAME], this is your task. Imagine life in the year 2250. You can tell me**

- what our planet earth will look like
- where people will live and what kind of houses they will have
- what people will eat and drink
- what jobs people will have
- what kind of transport people will use
- what people will do in their spare time.

Before we start you have got 3 minutes time to make notes on this sheet.

🕒 Wait for 3 minutes before you begin the task.

🗨️ **Now, [NAME], tell me what you think life will be like in the year 2250.**

You can talk for 2 minutes now.

PROMPTS (if necessary):

- Do you think there will still be green meadows and big fields where farmers grow corn and potatoes?
- Will the houses look the same as today?
- Will people still live in families?
- Will people still eat regular meals, or some other kind of food?
- What about cars / bikes?
- Will there be new kinds of sports?
- What about reading books / watching TV / playing computer games?
