TAPE SCRIPT

One: Eleanor.

My name's Eleanor, and I'm 14.

Well, my days are pretty much the same every day. I go to school and I like it there most of the time. In the afternoon, when I get back home, I maybe do a little bit of homework or watch TV most days. I watch quite a lot of TV, so this keeps me busy every day. My favourite programme is EastEnders. During the week I don't go out in the evenings. I either watch some more TV, or I go to my room and listen to music. I used to listen to Boyzone quite a lot, but these days I'm more into good old rock 'n' roll. I borrowed a lot of records from my mum and my mum's friends.

I don't read much, but sometimes I read a book from the Point Horror series.

And of course I read the stuff the teachers tell us to.

At weekends I go to the under-16 disco, but it's sometimes very dull there. If we can, we meet at a friend's house and party there. But we don't have the chance to do that very often.

Two: Nicholas.

In my free time I watch a lot of videos. Mostly music videos. I like Nick Cave, The Scorpions and Carter USM best. I've got all their videos. Sometimes my mates and I get together and watch them or we just listen to their music. We'd like to form a band, but we aren't good enough yet. I've got an old guitar from my brother, but it's not very good. Dad says he can't give me the money for a decent guitar right now. I take guitar lessons at school and I practise about four hours a week. I don't watch TV a lot, but I quite like going to the movies.

Unfortunately I can only go on Saturdays because I get hardly any pocket money. My favourite films are "Jurassic Park" and action films like "Terminator". I have seen all the Schwarzenegger movies. I think his accent is really funny.

FREE TIME ACTIVITIES
