A HOLIDAY IN SPAIN

In July John and his parents went on holiday to Spain. They went by plane from London to Barcelona. His sister did not come with them because she wanted to work in a supermarket.

John didn't like the first hotel. It was old and there was a lot of noise. So his parents only stayed there for two nights. The second hotel was great. They liked their large rooms, and the beach was wonderful. They went to the beach every day, but one day they couldn't go swimming because the wind was so strong. It was dangerous to swim because the waves were so high.

One day John and his parents drove to Puerto Plaza, a little village by the sea. There John bought a necklace for his sister. He got new sunglasses because he lost his old glasses on the beach. The weather was fine all the time. When they went back to London John and his parents thought that Spain was a great country for a holiday!
