Dear Kenny,

I'm sitting here at the airport in New York, because we have a 4 hour wait before we fly back to Austria.

My head is full of new pictures and words after the four weeks in the States. I'm sure it will take another four weeks to sort it all out. My family and I have been talking about what we liked best: Chicago, Washington, Disney World, New York – I liked it all! Maybe we did a bit too much.

I think the best part was getting to know Americans in different parts of the country. They were all so friendly and nice, but the very best part was getting to know YOU and your family. Before we leave, I want to thank you and your parents (and your little sister Robin) for the wonderful week we spent at your house in Chicago. I'll never forget it. You gave me the feeling of being a friend, not just a tourist. I hope I can show you Austria next summer!

I really hope to see you again,

Your friend Lukas
