## UNTERLAGE FÜR DIE LEHRKRAFT

### TAPE SCRIPT

Tina: Last weekend I was in the mountains with my family. My parents, my sister, my grandma and I took the train to get there. It was a rather cool morning when we went to the train station. But as soon as we started to walk up the mountain we enjoyed the fresh air. Around midday the sun came out and it was quite warm. We even could have our lunch outside and enjoy the wonderful view. In the afternoon we went down again. There were some clouds but luckily we had no rain. On our ride back home by train I was so tired that I slept for a while. It really was a brilliant day!

Peter: My family and I stayed at home last weekend. We had wonderful weather. It was warm and sunny in the morning and it really got hot during the day. So we could go swimming in our pool. My brother and I had a lot of fun. We taught our little sister how to dive. For lunch we had a barbecue, which was really great. In the afternoon our grandparents came for coffee and we played badminton together. Later in the evening the wind got very strong and brought a lot of clouds. Then it started to rain. But at that time we all were watching the football match on TV. It was a very nice weekend!
